Locals.

-The work on the new jail is progressing. It is now under roof.

-A force of street hands is employed in cleaning up and levelling up the streets in Salem.

-The Salem Agricultural Works received an order last week by telegram from Siam for a saw mill to be shipped to that country.

DIED.—On the 22d inst., at her home near Lewisville, Mrs. D. H. Jenkins, aged 23 years, daughter of Mrs. Elizabeth Conrad.

-Our market is abundantly supplied with apples, peaches, grapes, &c., of good quality at low prices. Very fine grapes are sold as low as two cents a pounds, a cheap luxury.

-Civil Engineer Ludlow has been engaged for some days in running a survey of the streets of Winston with a view to making an estimate of cost of a system of sewerage for the city.

-The man-bear, a monstrosity, is now passing through North Carolina, being exhibited in the towns along the railways. He held forth in Winston for a couple of days. There should be a State statute against the exhibition of such monstrosities.

MARRIED.—At the residence of Mr. J. W. Fries, in Salem, on Thursday evening. August 19th, Miss Anna de Schweinitz, youngest daughter of the late Bishop E. A. de Schweinitz, to Col. Frank H. Fries. The ceremony was performed by the uncle of the bride, Bishop Edmund de Schweinitz, of Bethlehem, Pa., assisted by Rev. Edward Rondthaler, D. D., pastor of the Moravian church in Salem. The wedding was quiet, invitations to the house being extended only to the family and a few intimate friends. The newly married couple started Friday morning on a bridal tour North.

ORDINATION OF DEACON.—A very large congregation assembled in the church at Salem Sunday evening, the occasion being the ordination of John McCuiston as a deacon of the Church of the United Brethren and assistant minister of the Salem congregation. The ceremony, which is an impressive one, was performed by Bishop Edmund de Schweinitz, preceding it with an eloquent and instructive sermon. It being also children's day the services were closed by singing of hymns by the children in front of the church, which was beautifully decorated for the occasion with lighted Chinese lanterns.

PLANT SHADE TREES.—There are many desirable vacant building lots in Winston and its suburbs which have everything they need to make pleasant locations for homes but shade trees. Some of these are held for sale, while the owners of others intend to build upon them in the near future. It would add very much to the looks and value of these lots, whether intended for sale or not, to plant shade and fruit trees, both for ornament and use. The cost of the trees and planting would be insignificant, and in a few years, by the time the owners were ready to build, the trees would be sufflciently grown to give grateful shade, and to supply fruit for the family. A few pear trees of the best varieties, such as the Seckel and Laconte, choice peaches and apples, and cherries, would not only give shade but also an ample supply of fruit, while a few grapevines, and in the fence corners raspberry, currant and gooseberry bushes would be greatly appreciated by the house-keeper. We throw these suggestions out as a hint to property-owners that they may take advanplanting comes.

-The land for Oscar Wilde is Piedmont Carolina. Mr. J. A. Ashburne says he saw a sun flower stalk which measured 7½ inches in circumference and bore 77 flowers. It was in the garden of Wm. Davis.

A SPECIAL OFFER.

Remember that the Progressive FARMER and the Patch Corn Sheller (price \$3)is offered to you for four dollars only. The President of Sandy Ridge Club has this to say of the Sheller,

WINSTON, N. C., June 19, 1886. Col. L. L. Polk:-At your request I took the Patch Corn Sheller and Separator and tested it. I am so well satisfied with it that I want to keep it and pay you for it. It is decidedly the best corn sheller for the price that I have ever seen, and in my judgment it should have a large sale among our farmers.

Respectfully, J. H. REICH.
